## BLU'S BEES ~

As part of our commitment to the environment, we have partnered with the University of Minnesota's Bee Squad to have colonies of honey bees live as permanent guests on our roof. These bees help pollinate 35% of the global food supply and 80% of flowering plants. Please enjoy this excess honey and unique gift from our rooftop guests.

\*Consuming raw or undercooked meats, poultry, seafood, shellfish or eggs may increase your risk of food borne illness, especially if you have medical conditions.

## FRESH ~ LOCAL ~ SUSTAINABLE

At FireLake, you and your guests will enjoy the best local meats, freshwater fish, produce and dairy our chefs can source. Focused on bringing out the natural goodness of the food, you will find familiar Midwestern ingredients kissed by the flavor of the flame of a real wood fire and lightly touched with the straightforward style and taste of our Minnesota heritage. Welcome to Minnesota, Bloomington and FireLake Grill House & Cocktail Bar. Enjoy the best the region has to offer. Whether you join us for breakfast, lunch or dinner, or a bite and a drink in the bar, we want you to know it is our pleasure to serve you.
